Business Protection

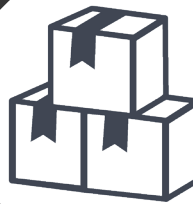

Our Business Protection Plan was designed with the Business at heart! Business owners have many barriers and hurdles to tackle in order for a business to be successful, this is where our Protection Plan can help. Our plan offers full support to your business from free legal advice to the review of vital business documents!

Employee Support

Business Owners not only have to keep the business running successfully but also have a duty of care to their staff. That's why our Business Protection Plan was also designed to have a focus on the business employees by offering them a range of services such as legal support & discounted legal services on a range of our services e.g. Family, Residential Property & Wills, Probate & Trusts

Flexible Packages

We have 3 different packages to choose from. Our packages offer a wide range of support and assistance which increases with each tier you climb. All our packages offer support to both the employees & employers of that business. Our packages range in price but start with Silver which is our free package so you can choose a package which caters to your budget the best!

Dedicated Trusted Specialists

We often see many Business Owners using multiple law firms for a range of their needs but why not have one dedicated law firm for all your needs? Our plan offers exactly that. We will be there every step of your business journey assisting, supporting and advising on what is best. You will also have access to a range of trusted trained specialists if you ever need support!

What's included in the Business Protection Plan?

Our Business Protection Plan was designed with both the employee & employer in mind

Our mission when designing our business protection plan was to have both the employee & employer as the focus point. Our protection plan is focused on providing employers with the protection and support they need to run a successful business while at the same time providing employees with the support and advice they need. This Plan is designed to provide the support needed which will help with staff retention and demonstrate your investment into the wellbeing of all employees.

This Business Protection Plan will provide you and your staff with the following:

- > Legal advice from a trusted specialist
- > A discount on legal fees
- > Free initial consultations
- > In-house advice clinic
- > In house talks on subjects such as Asset Protection, Marriage, Cohabitation agreements and the importance of having a Will.
